MANAGER'S REVIEW

This afternoon, we welcome the Directors, Staff, Players and Supporters of Wigan Athletic Football Club to Bootham Crescent. When we visited Wigan in September we came away winners 5-2. Since that match, Wigan have vastly improved and have moved into a comfortable position in the top half of the table. In the F.A. Cup, they had a very good run and were finally knocked out at Everton last Saturday.

In our last home game against Crewe, we made a great start going 2-0 up after fifteen minutes. We then started to gradually fade and in the end just managed to scrape a point. There were too many players not

giving 100% effort and I shall be looking for a greater all round performance today.

Next Friday, we travel to Stockport and then have two more home fixtures versus Halifax Town on Tuesday 12th and Portsmouth on Saturday 16th.

On Saturday next, the Intermediates entertain Sunderland in the semi-final of the Intermediate League Cup. Kick off 1.00 p.m. at Bootham Crescent. On the same day, the Colts play British Sugar in the quarter finals of the F.A. Junior Cup.

THE VISITORS

WIGAN ATHLETIC

After a spirited display Wigan bowed out of the F.A. Cup last Saturday at Everton in front of 51,000. They can now set their sights on promotion and with games in hand are well placed to make a strong bid. Last season, their first in the Football League, they finished 6th with 55 points. They took 3 points from us winning 1-0 here with the game at Springfield Park ending in a 1-1 draw. Manager Ian McNeill is expected to rely on the following side this afternoon:

Experienced goalkeeper **John Brown** was previously with P.N.E. and Stockport County. **David Fretwell** joined Wigan early last season after several years excellent service with Bradford City with whom he made over 250 apps. **Joe Hinnigan** is a promising young defender who has attracted the attention of a number of Senior Clubs. Key midfield man **Tommy Gore** has been at Springfield Park since 1974 and previous to this was on Everton and Tranmere's books. A dynamic, forceful player, he has scored a number of goals, especially in this season's Cup run and he netted the winning goal here

in last season's corresponding game. Captain **Colin Methven** is the Club's costliest acquisition having signed from East Fife for £30,000 in October. A strong tackler and very good in the air. His partner in the centre of the defence is the commanding figure of **Neil Davids**. He has been on the books of a number of League Clubs, including Leeds, Norwich and Swansea. Attacking midfield player **Frank Corrigan** was formerly with Northwich Victoria and had a wealth of experience in non-league football. Also in midfield is consistent performer **Jeff Wright** who was an ever present last term. **George Urquhart** was signed earlier in the season from Manager McNeill's old Club Ross County and has quickly adapted himself in the side. Strong and aggressive striker **Peter Houghton** was Wigan's leading scorer last term with 14 goals even though injuries limited his appearances. **Derek Brownbill** started his career with Liverpool and then moved to Port Vale with whom he made nearly 100 senior appearances. **Tony Quinn** joined Wigan at the start of last season from Youth football and was leading scorer for the reserves.
